

SIX RIVERS

COMMUNITY COUNSELING

Six Rivers Community Counseling is a newly established Program offering affordable counseling to the residents of El Dorado and Sacramento Counties. Services offered include: individual, family, marriage, child and group counseling services.

All services are provided by licensed clinicians or interns and associates under the supervision of licensed individuals. Fees are based on an income-based sliding scale. Clients may seek reimbursement from their insurance providers; however, Six Rivers will not bill insurance directly.

Services are offered at our main office and other locations by arrangement. Evening Hours are available.

For further information or to set up an appointment, please call:

916.941.8812

Immediate appointments are available.
